

APPENDIX 1

Carlisle Baptist Church Safeguarding Statement

The Church recognises the importance of the Church's ministry/work with children and young people and adults with care and support needs, and its responsibility to protect everyone entrusted to our care. We are committed to creating and enabling a healthy culture in order to minimise any coercion and control within our Church.

The following statement was agreed by the Church at the AGM on: 26 MARCH 2018

This Church is committed to the safeguarding of children and adults with care and support needs and ensuring their well-being.

Specifically:

- We recognise that we all have a responsibility to help prevent the physical, sexual, emotional abuse and neglect of children and young people (those under 18 years of age) and to report any such abuse that we discover or suspect.
- We believe every person should be valued, safe and happy. We want to make sure that all children and adults with care and support needs we have contact with know this and are empowered to tell us if they are suffering harm.
- We believe all children and adults with care and support needs have the right to be treated with respect, to be listened to and to be protected from all forms of abuse.
- We recognise that we all have a responsibility to help prevent the physical, sexual, psychological, financial and discriminatory abuse and neglect of adults who have care and support needs and to report any such abuse that we discover or suspect.
- We believe all adults should enjoy and have access to every aspect of the life of the Church unless they pose a risk to the safety of those we serve.
- We undertake to exercise proper care in the appointment and selection of all those who will work with children and adults with care and support needs.
- We believe in the necessity of creating a healthy culture in our Church where the value of all people is recognised and challenges are responded to appropriately.

We are committed to:

- Following the requirements of UK legislation and good practice recommendations in relation to safeguarding children and adults with care and support needs.
- Respecting the rights of children as described in the UN Convention on the Rights of the Child.
- Implementing the requirements of legislation in regard to people with disabilities.
- Ensuring that workers adhere to the agreed procedures of our safeguarding policy.
- Keeping up to date with national and local developments relating to safeguarding.
- Supporting the Safeguarding Co-ordinator/Safeguarding Trustee in their work and in any action they may need to take in order to protect children/adults with care and support needs.
- Ensuring that all members agree to abide by these recommendations and the guidelines established by this Church.
- Supporting parents and families.
- Nurturing, protecting and safeguarding of children and adults with care and support needs.
- Supporting, resourcing, training, monitoring and providing supervision to all those who undertake this work.
- Supporting all in the Church affected by abuse.
- Adopting and following the 'Safe and Secure' safeguarding standards developed by the Churches' Child Protection Advisory Service.

We recognise:

- Children's Social Services (or equivalent) has lead responsibility for investigating all allegations or suspicions of abuse where there are concerns about a child. Adult Social Care (or equivalent) has lead responsibility for investigating all allegations or suspicions of abuse where there are concerns about an adult with care and support needs.
- Where an allegation suggests that a criminal offence may have been committed then the police should be contacted as a matter of urgency.
- Where working outside of the UK, concerns will be reported to the appropriate agencies in the country in which we operate, and their procedures followed, and in addition we will report concerns to our agency's headquarters.
- Safeguarding is everyone's responsibility.

We will review this statement and our policy and procedures annually.
